HRA Pharma's CEO, Erin Gainer, honored with La Tribune Women's Award

Paris, France – December 3rd, 2012 - HRA Pharma, announced today that its CEO, Dr. Erin Gainer, has been honored with the 2012 La Tribune Women's Award, at an event organized by La Tribune, a French financial newspaper.

La Tribune Women's awards provide an opportunity to celebrate the female business success in six running categories: Finance, Green Business, Tech & Media, Industry, Luxury Industry and Emerging Market. Eighteen nominees from over 300 female entrepreneurs or senior executives have been shortlisted in September by a panel of professionals on the basis of their exceptional career and outstanding leadership qualities. The final winners in each category have been selected by internet votes.

Erin Gainer, who was competing in the Industry category, was recognized for her excellence in the management of a fast-growing healthcare company, commitment to excellence and contribution in the field of women's health and endocrinology.

About HRA Pharma

HRA Pharma is a privately-held European pharmaceutical company that designs products, devices and supporting services in niche areas of health and makes them available to doctors and patients worldwide. The company targets therapeutic gaps in the areas of reproductive health and endocrinology, and uses innovative marketing solutions and socially-conscious programmes, such as contraception education in developing countries, to promote healthy management of drugs and diseases. Headquartered in Paris, France and with offices throughout Europe, HRA Pharma has built a strong network of R&D, manufacturing, distribution and NGO partners which enables it to satisfy critical patient needs and improve patient health in over 50 countries across the globe.
